20 February, 2008

Gentlemen

Please let me introduce myself, my name is Kev Lewis and I have been nominated as your eligibility scrutineer from the start of this season, and I look forward to meeting you all during the first event at Snetterton. I will be present at the other events during the year, and am more than happy to discuss eligibility matters with you at any time.

My role is to ensure that your cars comply with the technical regulations, and I will be checking cars throughout the season ensuring they comply with the relevant regulations.

I would like to take this opportunity to remind you all that by signing your registration forms you are declaring that your cars comply with the technical regulations for class and category you have entered.

Please feel free to contact me if you have any questions. Here's to a safe and successful season.

Regards
